

Manufacture's Limited Warranty

Sleep better. Live better.

LIMITED WARRANTY

Congratulations on your new Sleepm mattress. Our goal is to provide the highest product quality and durability, assuring you of the most comfortable and healthful night's sleep. We provide you ten (10) years limited warranty. This promise is backed by our Sleepm Quality Assurance Program, one of the most stringent and rigorously enforced product quality programs in the home furnishings industry. Through the Sleepm Quality Assurance Program, you can feel confident that your Sleepm mattress will provide you with the long-lasting comfort and support you expect.

DO'S AND DON'TS OF BEDDING CARE

- DO rotate your mattress as needed, this will promote even wear.
- DO use an appropriate frame and center support on Queen- and King-size sets to ensure validation of your warranty.
- DO let your new sleep set "air" upon removal from its plastic packaging. Discard the plastic wrapping on your mattress as soon as possible; a child or pet can become entangled and suffocate.
- DO keep your bedding clean and use a mattress pad. Stains, soiling, fluid penetration or other signs of abuse may void the warranty and make your bedding ineligible for repair or replacement.
- DO replace the foundation when purchasing a new mattress to provide the proper support for your new mattress.
- DO carry your mattress upright on its side. It is easier to handle and less likely to damage the mattress. If you need to store your mattress for an extended period, please store it flat.
- DON'T remove the law tag at the end of your mattress as this has the identification needed to establish your warranty rights.
- DON'T bend excessively or jump on your mattress under any

circumstances. Such treatment may damage the mattress or boxspring.

- DON'T use cleaning fluids on your mattress. The chemicals may damage some of the materials.
- DON'T allow your mattress to get wet. Any liquids, water or other fluids may damage upholstery causing materials to compress. Sleepm recommends that you protect your mattress from water and other liquids with a water proof mattress pad.
